

## **About this Book**

The **Qube User Guides Index** provides a reference to the 11-volume Qube User Guide. Each volume of the Qube User Guide has one or more sections, represented by a two-, three-, or four-letter code. After you have located the entry in the index that you need, use the following list to determine which volume contains that information, or use your online copy to automatically link to the right volume. Note that some sections appear in more than one volume.

### **General Information User Guide**

- GEN
- EIM

### **System Administration User Guide**

- SYS

### **Inventory Management User Guide**

- INV
- LBS
- PPC
- MSW

### **Production Scheduling and Bills of Material User Guide**

- PLAN
- BOM
- LAB

### **Sales Order Management User Guide**

- OE
- SOT
- MSW
- COM
- TAX

## **Purchasing Management User Guide**

- PUR

## **Accounting with Qube User Guide**

- GL
- AR
- AP
- COM

## **Accounting with Dynamics User Guide**

- GPA
- GL
- AR
- AP
- COM

## **Job Costing User Guide**

- JC

## **Order Configuration User Guide**

- OPT

## **Global Commerce User Guide**

- GC

# Index

## A

**ABC Analysis** INV-39, INV-102, INV-125

ABC Code INV-39, INV-102, INV-125

ABC Values INV-127

and Cycle Counting INV-102

Assigning ABC Codes INV-102

Begin Analysis INV-126

Manually Editing ABC Values INV-127

Report of Items by ABC Value INV-128

**ABC Inventory Analysis window** INV-125

**ABC Values from Item Master File window**  
INV-127

**About QUBE Window** SYS-42, SYS-135

**Access is not available** SYS-43

**Account Balances** AP-33

**Account Balances window** AP-33

**Account Code** GL-42

**Account Maintenance window** GPA-21

**account manager** OE-9

**Account Type Code** GL-7

**Accounting Period** GL-3, GL-60

**Accounts Payable** EIM-7, EIM-8, GL-65,  
GL-66, GL-79, GC-19, AP-1 to AP-48

Account Balances AP-33

account structure GL-25

Add Disbursements One at a Time or All for  
One Vendor AP-19

Adding Disbursements AP-19

Adjusting the Bank Account Balance AP-39

Bank Transfers AP-20

Cash Disbursement Reports AP-46

Cash Disbursements AP-22

Check Balancing Functions AP-39

Checking Account Reconciliation AP-34

Clear Checks Utility AP-38

Clearing outstanding checks AP-36

Costs Changed by Purchases AP-44

Debit Memos AP-11

Determining Which Accounts to Display  
AP-33

Draft Payment Functions AP-15

Draft Repeat Payments AP-19

Draft Vendor Payments AP-19

Drafting a Vendor Invoice from a PO AP-41

Drafting Vendor Payments AP-15

generating vendor invoices from the purchase  
order record AP-2

GL Sub Account GL-25

Great Plains Links AP-10

Handling manual checks AP-29

Journal Entries AP-29

Miscellaneous Payables Functions AP-41

Payables Transaction Reports AP-46

Payment Transactions AP-19 to AP-32

posting transactions AP-29

Preparation for Reconciliation AP-34

printing checks AP-30, AP-31

Printing the Check Register AP-39

Purchase Price Variance AP-8

reconciling checking accounts AP-34  
Reports AP-46

Cash Disbursement AP-46

Payables Aging AP-46

Payables Transaction AP-46

Setting account balances AP-34

Setting Up a Checking Account AP-33

Standard Unit Cost AP-8

Summary of Payables Functions AP-47

tracking checking accounts AP-33

transferring funds between bank accounts
